Dear Kevin:

It is with sincere thanks that we write this letter in appreciation of your \$2375 donation to The Fisher House Boston to build housing to benefit our severely injured Veterans and their families.

We at Fisher House Boston appreciate your joining us to create a place where the families of injured Veterans can find respite from the many difficulties they face as their loved one recovers from injuries sustained while defending our country.

The men and women of our military make sacrifices every day to keep America safe and together we can make sure they are not forgotten. Through the kindness and generosity of supporters such as you, we are able to do our part to care for these men and women and their families.

Again, thank you for your generosity and support.

Sincerely,

Carol A. Bliss
